Club is planning new curling rink

Dysart could have a new curling club by next fall. The membership of the club agreed last week to turn over the present facilities to the municipality and start a campaign to build a new rink on the site of the present structure.

Dave Chatfield, president of the club told The Echo, that presently the curling club is working with a ballpark figure of \$200,000 to \$250,000 for the new structure.

He noted that the club will be working in conjunction with the municipality to get the greatest amount of money through government grants.

Mr. Chatfield pointed out that presently the curling club has about \$25,000 in equipment which could be used in a new building.

The project will mean the tearing down of the old building and putting the new structure on the same site.

He said that plans to date have the building including four sheets of ice, an elevated lounge looking down at the ice and a full basement with locker and club room facilities.

He pointed out that the club is hoping to get going on the construction of the new building as soon as possible in order to have it ready for the next curling season.

Mr. Chatfield said the new facilities will in the future provide a sort of multi-purpose recreation complex for the municipality. He added that there will be the

opportunity to hold a number of events in the building because it will be constructed with a cement floor.

He said that such things as dances, indoor tennis, roller skating and carnival activities

could be held there in the summer.

He pointed out that the club is attempting to work out a plan for the building that would include some kind of facilities for senior citizens under the New Horizons program.

Bobcaygeon's defense and goaltender got to see a great deal of Haliburton Huskies' players like Dave Hartwick as the Huskies completely dominated Friday night's game to come up with a win in the first round of the Junior D playoffs. The Huskies will now face league champions Lakefield in a best of seven series. For more details on the Huskies see County Echo Sports on page 6.

Monmouth Township to build a new arena

Monmouth Township will be building a new arena at a cost of

about \$175,000, rather than repairing the old building.

In a news letter to the ratepayers of the community from the recreation committee it was pointed out that tenders to repair the old building were received from \$68,000 to \$84,000. "It was decided that an expenditure of that nature, with no real upgrading of facilities is not justifiable," the letter stated.

In a report from the recreation committee to the municipal council it was stated, "Preliminary discussions have begun on the erection of a new super structure. This building would be constructed over the existing ice surface and plant facilities."

The report pointed out that it is hoped the new building would not only meet the new safety regulations, but would also upgrade and update facilities that would be needed in the near future.

It was noted that a new snack bar, dressing rooms, seating accommodations and washrooms are hoped to be included.

"It is this committee's opinion that a new building will stimulate more participation and more community interest in our hockey and figure skating activities, as well as provide the community with a modern facility for its varied events," it said in the report.

It was pointed out that the cost of the venture is not complete but preliminary discussions have indicated that approximately \$150,000, to \$175,000, will be sufficient. "It is this committee's recommendation that a ceiling of \$200,000 be placed on the project," it says in the report.

The necessary funds will be raised by grants from the Provincial Ontario Government up to and including 75 per cent of the construction costs. The remaining

Nancy's Flowers first in parade

Haliburton Winter Carnival

The 1977 Haliburton Winter Carnival is now history but won't soon be forgotten by the many people who participated. The carnival featured a bed race which was won by the South Algonquin Kinsmen, carnival queen pageant with Lou-Ann English being named queen with Linda Danvers from Australia one princess and Darlene Danilko the other princess, a parade with Nancy's Flowers winning the best overall float, the Bank of Montreal the most humorous float and Victoria Street School the most original float. The carnival had many other interesting events over its three days. For more details and pictures see page 8 of this week's Echo.

For results see page 3

School closings can cause problems

Closing schools in bad weather can often cause more serious problems than it solves.

J.D. Hodgson, director of the Haliburton County Board of Education feels that students are better off under the care of an adult, in the schools or on the buses during a snow storm than left to go home alone, when parents may not be there.

He said that he has received complaints this winter that schools should have been closed more often on bad days, but cites an incident that occurred under the Victoria County Board as an example of what he fears could happen.

In that incident, reported in the Lindsay Daily Post of Feb. 2, a five-year-old, Tony Jansen of RR 2 Pontypool, arrived home from school on a stormy day to find no one there and the house locked. He took refuge with his dog in the kennel until found by a school trustee who have been notified to search for him.

The boy's parents had been caught in an accident, and there was no way for the School Board to know that there was no one at his home, since the telephone lines were down. The trustee was sent to look for the boy when parents contacted the board to say they would be held up.

"It could have been a tragedy, but it turned out alright" the

superintendent of transportation for the Victoria Board said.

Mr. Hodgson said, that this winter to date, Haliburton schools have closed early one day at 2:30 p.m. Decision to close the schools are made according to reports from municipal road overseers who say whether or not roads can be kept open, he explained.

However, Mr. Hodgson continued, it takes at least an hour to call out the drivers and get the children moving. Often road conditions are improved by that time.

His real concern lies in the fact that in the majority of families, both parents work, and it is not always possible to contact them to tell them that schools are closing early.

Some parents would be unable to be at home even if they knew about early closing, he felt. Students could easily be left on their own in rural areas without anyone taking care of them, Mr. Hodgson noted. Even at the worst, students are better off in a school bus bogged down in the snow since at least then, someone knows where they are.

Decisions not to close school early are made with the safety of the students in mind. Mr. Hodgson feels strongly that closing early is not always the safest course.

Brian D. Nunn, 19, of RR 1, Haliburton was put on two years probation and told to present proof that he had made restitutions in the amount of \$85 at the provincial court in Minden on Feb. 15.

A pre sentence report was read on that date which crown attorney Chris Meinhardt said could be called favourable, although Nunn had committed theft and had sold the stolen goods, a chain saw. He had apparently recompensed the person to whom he sold the saw.

Mr. Meinhardt said that the sentencing should be in line with rehabilitation and deterrence since the offence was a step removed from taking goods for his own use, and suggested a short jail term with probation, or a suspended sentence with probation, or a suspended sentence with lengthy probation.

Judge Ian Monro said that he would not put Nunn in jail on the first offence, but

put him on probation by which Nunn will be required

to report monthly to a probation officer.

More on LaSarre

In last weeks report on the Haliburton Bantam games in LaSarre, Quebec the writer neglected to mention the most valuable player trophies.

Three trophies were awarded after each game.

In the first game against Temiscaming, the score was Temiscaming 2, Haliburton 0. Two trophies were awarded to Temiscaming and Shawn Silver received the trophy for Haliburton.

In the second game against Ville Marie, the score was Haliburton 5, Ville Marie 4. The game ended in a 3-3 tie. After a 5 minute overtime period, a shoot out was required. Ville Marie scored once and Mike Rae and Mark Prior beat the Ville Marie goalie. The trophies for this game were given to David Elstone and Ken Wyllie of Haliburton

and the third trophy went to Ville Marie.

The score in the consolation championship game was Haliburton 4 and LaSarre 0. The trophy winners were Doug Tallman and Tony Scheffee of Haliburton.

Theft charges

Three Toronto area men have been charged with two counts each of break, enter and theft as a result of an investigation by the Minden detachment of the Ontario Provincial Police.

Charged in connection with a break-in at Kushog Lake are Mark Stephen Hillock, 22, of Willowdale; Ian MacFralane Fraser, 22, also of Willowdale and Gregory Donald Reid, 26, of Toronto.

Close to 100 cross country skiers participated in the first annual Haliburton Ski Tour. The tour covered a 10 km course which started at the Haliburton Highlands Secondary School. The event was

organized by the newly formed Haliburton Cross Country Ski Club. It was held Sunday in conjunction with the Haliburton Winter Carnival.

From the Chamber

by Bob Stinson

Another Haliburton land mark disappeared last week. Any of us that spent our teens in the Highlands will attach memories of all kinds to the "Silver Slipper". It has not been used for some years now, and is now being demolished by bulldozers. The building was beyond repair -- which is too bad, -- but we do appreciate the memories.

The Chamber has just published a newsletter which has been mailed this past week and should be in the hands of all members by now. Attached to the newsletter is a questionnaire which we strongly urge you to fill out and return to help us with our future decisions. Speaking of newsletters, C.O.T.A. had been sending newsletters to all members of our Chamber until recently. The Publisher of this newsletter had to discontinue publishing due to financial problems. C.O.T.A. has now retained another publisher for their newsletter and the first edition of the new newsletter should be out in early March to all our members.

The Ministry of Industry and Tourism last week released information on the planned construction of Timbertown in Renfrew County. You may recall last June when the Hon. Claude Bennett visited Haliburton that he advised us that the Ministry would look favourably upon helping us set up a major tourist attraction but that we must provide the ideas. What is happening in Renfrew County is an example of just such a case. Municipalities involved submitted the ideas and have worked together with the Ministry and now have a major tourist attraction in the works for their area. Timbertown will be designed as a park which will be somewhat along the lines of Upper Canada Village, display the heritage and the lumbering background of that particular area. Lumbering is also our heritage and this whole project could have well suited Haliburton as well as Renfrew but they submitted the idea before we did. Now it is up to us to come up with another idea. The Directors of the Chamber have been wracking their brains for ideas and we have asked our members repeatedly for ideas. We are asking once again, if you can think up anything in the way of a major tourist attraction it would merit the assistance of the Ministry of Industry and Tourism, please contact the Chamber.

This year's Haliburton Winter Carnival is now history and from all reports it can be considered a success. If anything was disappointing it would have to be the parade. Over the last few years the parade has become smaller and smaller. There must be a reason.

Recently, Canada Manpower announced two make-work programmes, one called Canada Works and the other Young Canada Works. Many organizations in Haliburton County have submitted applications for programmes financed under these plans. It is hoped that both these plans will create employment in the area but we wish to remind anyone hoping to get employment through these plans that all hiring will be done through the Canada Manpower Office at Haliburton. Students looking for summer work this year should register at the Canada Manpower office in Haliburton as the Young Canada Works program is designed to create student employment during July and August.

Wilberforce events

Wilberforce Legion Branch 624, held a Cribbage Tournament this past weekend Feb. 19, 1977, a good turn out was experienced by the Legion in this first endeavour of this event.

The winners of the first prize went to Marjorie Peel and her partner, the second prize winners were Lou Robins and Mr. White the boogie prize went to Buster Anderson and Wally Marks with the door prize going to Paddy Welch.

1st Wilberforce Brownie Pack and 1st Wilberforce Guide Troup attended the Wilberforce Anglican Church to mark Lord and Lady Baden Powell Remembrance Day.

Snowmobile races

The weather and the track held up all day Sunday to all 11 races scheduled for the Haliburton Winter Carnival snowmobile races.

The races were organized by the Haliburton Kinsmen Club.

Glen Evans of Fort Irwin took top spot in the 250 junior race for people 16 and under.

Terry Harrison, of RR 2, Minden, came out on top in the 250 modified event. Tim Chambers, also of RR 2, Minden came second in the event.

Jerry Harrison, of RR 2, Minden, won the 250 stock event with Bill Moyer of Toronto finishing second.

The 340 stock class was won by Ray Fox, of Willowdale, with Jerry Harrison second.

Mike Lidsle, of Pickering,

took the 340 modified class with Rick Hickson of Lakefield finishing second.

The 340 ladies event went to Bernie Davis of R.R. 1, Minden, with Barb Moyer, of Downsview, finishing with a close second.

John Coneybeare, of RR 2 Haliburton, came out on top in the 440 stock class while Cockburn of RR 1 Horseshoe Lake was second.

Grant Rae, of Haliburton, took top honors in the slowest race in the world and Bob Forbes of Georgetown won the ball and shovel event.

Lidsle came out on top in the 440 modified event with Hickson finishing second.

The open across the lake and back event was won by Coneybeare with Wony Parnell, of Haliburton, finishing second.

Report from Queens Park

by MPP John Eakins

Once again it is time to think about filing our Income Tax Returns, and I have already received a number of enquiries in connection with Ontario's Provincial Tax Credit System, designed to make taxation more equitable.

The Property, Sales and Pensioner Tax Credits are intended to improve the fairness of the provincial and municipal tax systems, by relating these tax credits to the individual's ability to pay taxes. The Political Contribution Tax Credit is designed to encourage greater public participation in the democratic process.

Ontario's Tax Credit System is administered as part of the Federal Government's personal income tax system, and the only method of obtaining the various credits is to complete the special pale purple coloured credit form which is included with the income tax schedules. Even if there is no taxable income, this form must be filed with the Federal Government. In the event that a taxpayer has any outstanding liability for Income Tax, Canada Pension Plan or Unemployment Insurance contributions, the Tax Credits will be applied to reduce this liability. Otherwise, the Federal Department of National Revenue will send out a refund cheque which will include the Tax Credits paid by the Province as well as any Federal Refund which may be payable.

To be eligible for the Tax Credits, you must be over 16, and a resident of Ontario on the last day of the taxation year. If someone is temporarily out of the Province on December 31st, he or she may still be considered a resident, providing a tax return is not filed as a resident of another Province. Individuals who left Ontario and Canada during the taxation year must consider the last day of their taxation year as the day on which they ceased to live in Ontario, and their eligibility for tax credit purposes is determined as of that date.

In an effort to make sure that the benefits of the Tax Credit System are most helpful to those in the greatest need of assistance, the total Tax Credit entitlement is reduced by 2% of the taxable income, which means that the amount available to any taxpayer depends upon family circumstances, age, income and the property tax or rent which is paid, subject to an overall maximum of \$500. and the Political Contribution Tax Credit, subject to a maximum of \$500. For the 1976 Taxation year, Ontario residents with a taxable income of \$1,540. or less are considered to have a "nil" taxable income for purposes of calculating their tax credits. In such cases the two per cent of taxable income offset against Property, Sales and Pensioner tax credits, does not apply.

PROPERTY TAX CREDIT

This should be claimed by the spouse having the higher taxable income, in respect of the principal residence only, and is the lesser of \$180 or occupancy cost (plus 10%). For homeowners, occupancy cost is property tax paid in 1976, and for those who rent accommodation it is 20% of the total rent paid in 1976. College, university and nursing students living in "prescribed" student residences may claim occupancy cost of \$25.00. No one under the age of 16 at the end of the year may claim this credit. People under the age of 21, living at home and claimed as dependent are also ineligible.

SALES TAX CREDIT

This credit is 1% of Personal Exemptions for Income Tax purposes, and may be claimed by most Ontario residents, with the exception of those under 16 years of age, or anyone claimed as a dependent for Income Tax purposes.

PENSIONER TAX CREDIT

This \$110 Tax Credit may be claimed by everyone over 65 years of age and a resident in Ontario on December 31st, 1976, but in the case of a married couple, both over 65 at the end of the taxation year, and living in the same principal residence, only the spouse with the higher taxable income is eligible.

See you next week.

Darlene Danilko of Minden was named as a Carnival Princess at the Haliburton Highlands Secondary School on Friday evening to stand beside Queen of the Haliburton Carnival, Lou-Ann English of Haliburton. Linda Danvers, Rotary exchange

student from Bacchus Marsh Australia who is presently staying with Dr. and Mrs. Len Burch in Minden was also chosen by students and Rotarians to complete the duties of a Haliburton Princess.

Lou-Ann English named Queen of the Carnival

The crowning of the Carnival Queen, Lou-Ann English, took place on Friday night with all the excitement and crowds it should have.

At the Haliburton Highlands Secondary School dance, during a break in the music, the three finalists, chosen by students over this past week, were introduced to a packed hall.

Darlene Danilko of Minden, 17, and in grade 12, Linda Danvers, Rotary Exchange student from Bacchus Marsh, Victoria, Australia, 16 and in grade 12, who is presently staying with Dr. and Mrs. Len Burch in Minden, and Lou-Ann English of Haliburton, 16 and in grade 11 were chosen by balloting by H.H.S.S. students as the three finalists out of eight contestants.

Thursday evening, the three girls met with Haliburton Rotary members at a dinner, and the final decision was made.

Vice Principal of H.H.S.S., Dale Robinson and Rotarian in charge of Friday's dance, Alan Bagg, were the lucky two who were on hand to make the presentations to Queen Lou-Ann English and runners-up Darlene and Linda.

The newly crowned Queen and her two princesses were then whisked away to be briefed on the extent of their duties for Carnival weekend. They were on hand for many events, including the judging of the bed race, after which they rode in the Carnival Parade. They also had to be on hand for closing ceremonies and most of the other functions. Their busy weekend was the price of wearing a crown to presiding over the festivities.

The three will keep their positions for a full year and will rule the summer carnival as well.

After being crowned on Friday night, they were introduced at the Legion Dance and announced at the arena, before being allowed to return to H.H.S.S. to complete celebrations.

88 participate in tour

This year cross-country skiing was part of the Winter Carnival for the first time. A ten kilometre ski tour, the "Haliburton Tour" was organized by the Haliburton Highlands Cross-Country Club, on Sunday afternoon, Feb. 20th.

Nearly 100 people signed up for the Tour and 88 actually started. Everyone finished.

The weather was perfect, and a light snow the previous night had the trail in ideal condition. The route started and finished at the High School, and each finisher received an attractive pin to show that he had completed the distance.

The first skier around the course was Ian Brodgen, a member of the host club, lives in Scarborough, Ontario. He completed the route in 56 minutes and 16 seconds. The first woman around was Liz Webster of Fenelon Falls in 67 minutes, 33 seconds.

John Thayer was the first Haliburtonian to complete the circuit.

Many families skied the tour, as evidenced by the number of youngsters in the crowd.

Seven year old Lucy Postlethwaite of Haliburton was the youngest girl,

finishing in 2 hours, 43 seconds, while 7 year old Murray Hamblin of Burlington set a fast pace at 1 hour and 25 minutes, 42 seconds. There were several skiers pushing (or past) the half century mark in years, who set a year example for some of the younger skiers.

This was the first organized tour for the Haliburton Highlands Cross Country Club. The participants really had a good time, thanks to some hard work by many club members, and co-operation from the O.P.P. the I.G.A., the Haliburton County Snowmobile Assoc., Rotary Club and land owners whose property the trail crossed. Next year more of

Potter wins drag racing

The winner of Haliburton Winter Carnival Snowmobile drag racing for the second year in a row is Kirk Potter of Haliburton, who again walked away from the track with the DPD Transport Trophy for the fastest time of the day.

Potter recorded a time of 9.2 seconds for the one eighth of a mile course.

In the six classes of stock and modified snowmobile drags, the standings were as follows:

the same.

TOP TEN

In the modified drags, Rick Hickson took first in 250 on an Arctic Cat, Bob Ashley took the 340 Mod on a Mercury and in the 440 Mod Kirk Potter of Haliburton took top honors.

The Haliburton Guild of Fine Arts was part of the Haliburton Winter Carnival with a display and sale. A number of people attended the display which was held at the Lakeview Centre of the Guild.

Complaints falling upon deaf ears - Chamber

Complaints registered with the Ministry of Transportation and Communications and now with the Ministry of Industry and Tourism concerning signs that proclaim Haliburton County's identity have fallen upon "apparently deaf ears", according to Haliburton Highlands Chamber of Commerce Manager Bob Stinson.

Mr. Stinson recently sent letters to both ministries, to MPP John Eakins and to the premier of the province, William Davis. He has received acknowledgement only from Mr. Eakins.

Objections have been made from time to time to the Ministry of Transportation and Communications concerning the lack of adequate signing at major junctions where highways lead into Haliburton County. The Ministry of Industry and Tourism is now taking action to have signs reading "you are entering the Haliburton Highlands" removed from the borders of the county. This move is part of the Ontario Tourist Associations Program, Mr. Stinson explained, which was set up by Industry and Tourism Minister Claude Bennett. Under the program, individual tourist areas are no longer encouraged to act on their own, but are to identify themselves with larger tourist regions. Haliburton is part of the large and various Central Ontario Tourist Association under the government's program.

The Ministry of Industry and Tourism has recently indicated to the Ministry of Transportation and Communications that the signs that indicate individual tourist regions should no longer be subsidized by the province.

In his letter addressed to Mr. Bennett, Mr. Stinson said, "It is impossible to find signs anywhere directing signs to Haliburton Highlands from outside our area." He noted in his letter that there is no sign indicating the direction to Haliburton either at the junction of Highway 11 and the Vankoughnet Road from Muskoka, or where highway 35 follows south from highway 60 near Huntsville.

In the letter to Mr. Bennett, he continued, "it is bad enough that we are in a secret location, but now your ministry doesn't even want to let people know they are here if they accidentally

find us... Your ministry, for some vague reason has now chosen to involve itself in this area so we feel the complaint now lies with you also" as well as with the Ministry of Transportation and Communications.

Mr. Stinson argues that the maintenance of "you are entering" signs has been paid for over the years by the individual tourist councils. The Ministry of Transportation and The Ministry of Industry and Tourism in asking for the removal of these signs are asking for the removal of something "important to us as they identify the region that we spend much time and money to promote and our identity is important to our community."

The Industry and Tourism Ministry has apparently indicated that individual tourist councils will be able to allow "you are entering" signs to be replaced by new signs with much the same wording, at a cost of \$250. to \$275. each.

Mr. Stinson has objected to the fact that the Haliburton Chamber of Commerce, which acts as the tourist council for the area, has received no official word of the suggestion that individual councils replace the "you are entering" signs at their own expense, although the Chamber has been expecting to hear of this offer since Jan. 19.

He also objects to the idea on the grounds that the Ontario Tourist Resorts Program is supposed to save money, but will force individual tourist councils to spend more to promote their own areas.

Signing is considered to be an important way of establishing the County's identity by the Haliburton County Council as well. County Council at its most recent session voted to support Stanhope Township's request that more forceful action be taken with the Ministry of Transportation and Communication on the issue of signs designating Haliburton at the junction of the Vankoughnet Road and highway 11. The sign at present reads only "Muskoka Road 4".

With regard to the "you are entering signs", Mr. Stinson's letter to the provincial premier states "we have paid annually for these signs since they were first erected, and feel they are very much needed and have no wish to see them removed."

Haliburton Scouts hold Father and Son banquet

National Scout Week is on this week, as Beavers, Cubs, Scouts, Adventurers, Brownies and Guides celebrate the birthday of Lord Baden Powell founder of the Scouting Movement, and Haliburton Scouts were ready for it.

They held their annual Father and Son Banquet on Feb. 13, and awards were given to those Cubs and Scouts who have been faithful to the aims of Scouting and have worked hard for their packs during the past year.

Haliburton Cub Pack A headed by Len Salvatori and assistant Bill Picard is this year celebrating its 25th anniversary. The winning six, the boys who have accumulated the most points in competitions between the sixes in Pack A is led by sixer Jeff Dawson.

The second of the winning six is David Wood, and members are Sean Salvatori and Jamie Brown.

Jeff Dawson was also named Cub of the Year, and Darcy Poole was given the award for the best dressed Cub with the best attendance.

Three awards were given for the best baskets for the Cubs' and Scouts' Apple

Day. First was Mike Tapp, second Mike Sawyer and third, Sean Salvatori.

Mike Sawyers was given a special award for personal department as the winner of A pack competition.

Club Pack B, led by Terry Barnum and his assistant Scott Parish named as its best six Black Plumb with members Mike Parish, Scott Wells, Kevin Sicard, Stan Tripp and Robert Thibadeau.

Cub of the Year for Pack B is Ricky Barnum. The best

dressed with the best attendance is Scott Wells.

Andrew Bishop was given the award for the best sportsman and for crafts.

Apple Day Basket awards were given out to first place Jamie Austin, second place Tram LaRue and third, Mike Parish.

The Haliburton Scout Pack also gave out awards at the dinner. Darcy Poole was given top honours for the best basket, and best attendance awards went to Andrew Hodgson and Paul Guilder.

Bradnee Chambers was named the best all-round Scout of the year.

Scouts and their fathers were treated to a presentation given by Bob Davis of Maple Lake after awards were finished. Mr. Davis spoke of several of the hiking and canoeing trips that he has taken on his own into Canada's north. He showed a collection of slides that not only were proof of good photography, but of country in Labrador and

Monmouth building arena

from page 1

25 per cent will be obtained by private donations and Community Fund Raising Activities.

It is to be emphasized that there will not be any direct cost to the taxpayers of Monmouth Township, other than on a volunteer basis regarding donations and participation in the various fund raising activities. The committee is confident that the 25 per cent share of the construction costs can be raised and is well within the capabilities

of the community.

In order to begin raising the extra funds needed for the building, a roast beef dinner will be held at the Lloyd Watson Memorial Centre, March 5, there will be a skate-a-thon March 18 and a maple syrup festival and flea market April 9.

It is noted in the news letter that the ratepayers should watch for further details on planned activities and that suggestions would be appreciated for new ideas.

Haliburton Cubs and Scouts participated in a church parade Sunday morning. The parade was held in conjunction with Boy Scout Week which is presently being held in Canada. The parade started at the Haliburton Legion Hall.

Echo editorials

A word of thanks to carnival organizers

Once again the Haliburton Winter Carnival has come and gone leaving behind warm memories of events, both for participants and spectators and an appreciative word of thanks from all carnival goers to the organizers of the 1977 winter carnival.

Hundreds of people were given the opportunity to enjoy winter and participate in the annual round of events which make up the Winter Carnival. Out-of-towners took the opportunity of the winter carnival to visit friends in Haliburton and area and take part in our winter games.

Right off the top a word of praise to Mike Stinson that hard working carnival chairman who worked day and night, week after week, to see that everyone was doing their job. Our thanks to Mike, the members of the Rotary Club and all those in the community who pitched in to help.

A special thanks also should go to the Haliburton Kinsmen Club who ran the Snowmobile races on Head Lake on Saturday and Sunday.

An added feature to this year's Winter Carnival was bed races which happened on Saturday at 1:00 p.m.

Another added attraction this year was the old-timers hockey tournament with six teams from various parts of the province participating. Teams which played in the tourney were, the Haliburton Chalkdusters and other areas represented were from Peterborough, Lindsay and Burlington.

So it's hats off to all who helped make the 1977 Winter Carnival that success it was, and let's hope it will remain a treasured part of winters to come.

Arena drive kicks off

The Rotary Club's Arena Fund committee got together a couple of weeks ago for a kickoff meeting and now the ball is really rolling to raise money for arena repairs and improvements.

The repairs to the building are complete and now it will be a matter of time before the improvements are all put into use.

Among the improvements is a new Zamboni, which is already in use in the building.

There will also be new unbreakable glass panels to replace the existing wire screens behind the end boards, new kick boards and side boards, infra-red heating for spectators, new concrete seating and additional dressing rooms.

All of this including the repairs come to a grand total of \$93,000.

The amazing part of it all, due to the grant structure from the Ministry of Culture and Recreation and Wintario, is that this will only cost the residents of the municipality \$15,300, which has to be raised by donations.

We would think that the residents of Dysart et al will make sure these repairs are paid for as soon as possible and make the Rotary Club's work easy by giving money now.

Summer residential

Stanhope council's realization that there has to be some sort of summer residential designation in the area is a step in the right direction.

Servicing is a major problem of cottage areas and the more services that have to be provided to the residents the higher the costs will be.

People buy property with full knowledge of its zoning designation and with full knowledge of the amount of servicing that can be expected because of that designation.

The onus is on the buyer to purchase property that is suitable for the use he wants.

Local councils in the cottage area cannot be expected snowplowing of every road, at least not with the present tax base.

If a summer resident wants to use his cottage in the winter, the resident should find a cottage that is not zoned seasonal residential and if that does not happen he should make his own arrangements as to plowing of the road.

Someday, perhaps, the municipalities in the cottage area will be able to bring all roads up to standard and have them all plowed in the winter, but that is quite a few years away.

Pic of the Past

Here is a very interesting photo for this week's Pic of the Past. It shows men barging corwood on the Trent Canal near Peterborough in 1927. Our thanks to Keith Cameron of Wilberforce for submitting this interesting photo.

Haliburton Highlights

BY CREIGHTON FEIR

The Haliburton Winter Carnival 1977 is now history and we hope that you had a good time. We here at The Echo are pleased to have played a small part in the big event by putting out our special Haliburton Winter Carnival edition. We hope that you enjoyed it.

The residents and staff at Extencicare, Haliburton cordially invite you to attend their first birthday party on March 1st, at 7:00 p.m. to 10:00 p.m. Everyone is welcome and there will be entertainment and refreshments. Keep this date in mind.

The students at the Victoria Elementary School at Haliburton had a busy time during Carnival week. Special activities were planned for the children. On Monday and Tuesday the children were taken on sleigh rides. The children went by bus to the sleighs. On Thursday it was cook-out day with weiners, hot chocolate and marshmallows. On Thursday and Friday they worked on the float for the carnival parade and had crazy carpet rides on the hill at the school. This is what you might call getting into the carnival spirit.

Mrs. Phyllis Pearsell of Haliburton is at present a patient at St. Margaret's Hospital in Toronto. We are sure that she would love to hear from her friends, so why not drop her a line or send a card. We wish her a speedy recovery.

While in Peterborough recently we had the opportunity to visit Ron Sisson of West Guilford

who was a patient at St. Joseph's Hospital. We also wish Ron a speedy recovery.

We are certainly living in a very sick society. Just about every program on television these days is built around violence. It's about time we had more comedy programs, because in this day and age, we certainly need something to laugh about.

LaRue Motor Sales Limited of Haliburton have moved into their new location near the Brewers Retail Store at Haliburton and are wide open for business. They are planning a grand opening sometime in the near future.

We are sorry to report that Mrs. Bill Findlay of Haliburton is at present a patient in the Wellesley Hospital in Toronto. Doreen is in room 353, and would be glad to hear from you with a letter or card. We wish her a speedy recovery and hope that she will soon be back home.

The Annual Pancake Supper was held at St. George's Anglican Church in Haliburton on Tuesday night. The usual large crowd was in attendance.

We would like to inform all of our readers that we are running short of Pic's of the Past. If you have an old photo which you would like to see in The Echo please drop it into the Echo office or mail it to us. Thank you.

Editor's notebook

BY JIM BADGLEY

Spring must be on the way. The winter carnivals in the area are over for another year, and believe it or not, just the other day the thermometer outside my house was above zero at 7 a.m.

What greater indications are there? After the type of winter we have experienced, one wouldn't expect the snow to be melting or to see the first robin.

One person has seen a robin this year. While driving along the other day in my car and listening to my favourite radio station, one of the items which hit the news was a Toronto resident who claimed that the first robin had appeared in "the big smoke" better known as Toronto.

We keep hearing startling revelations from our government offices these days. One is that unemployment is always high in Haliburton County this winter.

Talking to a few people I have found out that unemployment is always high in Haliburton County every winter and to date not too many solutions have been found to curb it.

Not only that, but believe it or not, unemployment is likely high in all resort areas. These facts and many more have been known to the residents for many years.

The Haliburton Rotary Winter Carnival is over and gone for another season. This year's event was entertaining to say the least. The Rotary Club and its carnival committee and chairman have done a great amount of work on the event and as every year passes the carnival improves in many ways.

It was an enjoyable winter carnival.

Dysart et al Council isn't going to change its fireworks' bylaw and allow family displays again.

I for one think the council is justified in having a bylaw of this nature. There is a real danger in the cottage area of fire and even the slightest chance that fire could happen is enough not to take that chance.

One municipality I lived in which was located in the forest fire area of Ontario didn't allow fireworks either. To be honest with you, nobody seemed to miss them.

Report from MP Bill Scott

On October 22nd, 1976, the House of Commons gave first reading to my Private Member's Bill, C-338, a bill that would authorize the establishment of a Press Council of Canada.

In anticipation of my bill coming before the House for debate, I enclose a copy of the bill for your information, with an explanation of its purpose.

The Press Council of Canada would consider complaints from people or groups who feel that they have been treated unfairly by the press, and would also consider complaints from the media; newspapers, radio and TV stations, etc. and to take whatever steps it deems to be in the public interest to resolve the matters.

The primary function of the Council would be to encourage the preservation of the freedom of the press in Canada. I believe that this can best be done by encouraging, and in some cases requiring, that the media be always vigilant to maintain the character and integrity of the press in Canada in accordance with the highest professional and commercial standards.

A clear example of what I have in mind can be demonstrated by the case of an individual, or group, whose reputation has been damaged by the reporting of erroneous information in a story or program. In such a case the Council can direct that the same weight and importance be given to a retraction or clarification that was given to the original story.

If a TV public affairs program should, for instance, damage the reputation of an individual in the reporting of erroneous information, all or part of a succeeding program must be devoted to a conscious effort to restore the reputation of the offended individual.

The same would apply in the case of a front-page story in a newspaper, or a lead story, for instance, in a magazine. In each case, the retraction must be given the same prominence given to the original story.

I do not believe that this would in any way restrict or inhibit the free flow of information. It would however, encourage the media to research stories more diligently where there is the slightest doubt as to the authenticity of any part of the story.

This should enhance the protection given, not only to the individual, but to the press as well, and should also increase public respect for their free press.

HHSS News

by Becky Davidson

The H.H.S.S. Bands' citrus fruit campaign ended February 14. An order has been placed with Texas for 1000 boxes which are expected to arrive at the school before the March break. Congratulations to Louise Van Den Hoogen who sold 2,280 pounds of fruit. The top five salespersons will be awarded prizes.

The senior students were very fortunate to have been entertained by Santo Cervello on Friday, February 18. Cervello, an Italian born actor has an excellent portrayal of several Ernest Hemingway stories. Mr. Cervello, now based in British Columbia, travels extensively in several countries with his one man shows. His excellent performance was a real pleasure for all who were able to see it.

Our girls' volleyball teams hosted Norwood on February 17 for the Kawartha Championships. The Norwood juniors took the Kawartha Championship 15-1, 15-8, and 15-4. The Norwood seniors also took the Kawartha Championship 15-12, 15-4, and 15-10. Our girls now advance to the COSSA Championships, as the second place Kawartha teams.

The three Carnival Queen candidates, chosen by the student body, are Darlene Danilko, Linda Davners and Lou-Ann English. The Haliburton Rotary Club decides the Carnival Queen from these three girls.

This week's results from the 50-mile Club are Miss Keohler - 14 miles, Mr. Lerpiniere - 7 miles and Beck Davidson - 15 miles.

Our boys' basketball teams travelled to Brock on February 14. Our midgets and juniors were both defeated. The high scorer for the midgets was Tim Davies and for the juniors, Jim Crawford and Mike Scheffee. The Haliburton seniors won 51-41, thereby winning the Kawartha "A" Championship. Congratulations to the entire team; Dick Stouffer - 16 points, Peter McElwain - 13 points, J.D. Bishop - 9 points, Will Tyler - 7 points, Paul Cummings - 6 points, Graeme Wallace, Larry Sicard and Dick Brown.

On February 17, our boys' basketball teams travelled to Fenelon Falls. Unfortunately, we were defeated in all three games. Midget high scorers were Tim Davies - 22 points and Steve Bishop 14 points. The high scorer for the juniors was Jim Crawford with 8 points and for the seniors Will Tyler with 14 points.

On February 16, the grade 12 Phys. Ed. classes enjoyed a day of cross country skiing and snowshoeing at Camp Kandalore. This annual grade 12 event is one that is always appreciated and remembered by all who participate. The students would like to thank Miss Keohler and Mr. Scully for a great time at Camp Kandalore.

This and That

BY JENNIFER WOODS

The last chapter of The Old Ontario Cookbook by Muriel Breckenridge appropriately named This and That contains some very interesting old time recipes for household hints and medicines. The author says that she has included them for interest and does not recommend their use but in some cases I think they would come in handy.

Hard Soap: 1 pound borax, 16 pounds rendered tallow, 1 pound resin, 5 pounds lye, 8 gallons water. Boil this mixture slowly and let it stand until it is firm then cut and pack.

To Remove Wallpaper: Use one heaping tablespoon of saltpetre to 1 gallon of hot water and apply freely several times with a brush. Keep the water hot.

To Keep Cheese Fresh: Wrap in a cloth previously steeped in vinegar and water. Re-steep cloth from time to time.

Stove Polish: To keep iron and steel stoves from rusting dissolve ½ ounce camphor in 1 pound of lard. Remove scum and mix black lead to make a good iron colour. Apply and leave 24 hours. Then rub with a linen cloth. This will keep stoves clean for months.

Crack Filler: 1 pint turpentine and 2 quarts boiled oil. Thicken with corn starch until it is like strained honey.

To Mend Hot Water Bags: Apply several coats liquid court-plaster allowing each coat to dry before adding the next.

Copper Cleaner: Your copper boiler or reservoir on the kitchen range will look like new if cleaned with a paste made of kerosene and coarse salt or kerosene and powdered bath brick.

Healing Salve: Melt equal parts beeswax, mutton tallow, resin and linseed oil. Heat only enough to mix. Very healing.

Zinc Ointment: 6 pints of lard, mix with 1 pint zinc.

For a Cold in the Head: Sniff powdered borax up nostrils. (I am sure this is one of the medicines the author did not recommend.)

Onion Poultice: 6 or 10 onions chopped fine. Place in a frying pan over a hot fire. Add about the same quantity of rye meal and vinegar to form a stiff paste.

Stir thoroughly and simmer about 10 minutes. Put into large cotton bags and apply as hot as can be borne. Change every 10 minutes reheating and applying until relieved.

Muriel Breckenridge also writes about what spices and herbs were used as cure alls. Ailing children were given catnip tea. Salt was used to cure infections. Garlic was recommended for whooping cough, colds and worms. Oil of cinnamon was used to cure a toothache. Red pepper mixed with molasses was considered one of the best remedies for delirium tremens and sea-sickness. I imagine that mixture would take your mind off everything else!

These remedies from the past make very interesting reading. They seem to be a combination of superstition and commonsense but one thing is for certain they really did know how to make the best of what they had. I hope there is a little bit of the pioneer spirit in all of us.

Monmouth News

by Pearl Foster 448-2041

The community is getting behind John and Shirley Finlay with a shower held on Friday, February 18th at Tory Hill Community Hall, and a dance held at Wilberforce on Saturday, February 19th.

The Wednesday Night Euchre at Tory Hill had an excellent attendance on this 16th of the month. The prizes this week went to Kathy Bowen (77) High Ladies, Ross Limrick (82) High Mans, Irwin Bowen (9) Lone Hands, Murray McColl (48) Low Score, and the Travel prize was won by Irma Dunford. No matter what the attendance there is always room for more. P.S. the lunch served by the ladies is always excellent.

Birthday wishes go out this past week to Larry Strong, Jim Deterling, Lyle Donaldson, Arthur Fottit and Mrs. Ruth Marks.

This past week, Dan and Arlene Mathews along with Len Foster, all of Tory Hill, attended an Oldtimers Hockey Tournament in St. John's New Brunswick.

Maple Lake News

by Ada Gibbs

Our beautiful winter wonderland causes the city folk to bestir themselves to enjoy a weekend in the country now and then. Those who have home ties bring their families and friends to spend time at the old homestead. Last week Mr. and Mrs. Don McMurtry and family and a party of 14 guests enjoyed all the comforts of home at Bythia Farm and enjoyed a whole weekend of fun.

Word has been received from Mr. and Mrs. Tom Hodgson that they have settled in for their vacation at Panama City, Fla. They say that although some days are cool, they have been enjoying the beach area and are finding the temperatures quite comfortable.

St. Andrew's Church ladies of West Guilford invited St. Peter's A.C.W. ladies to attend one of their meetings held at the home of Mrs. Leon Jones. As part of the afternoon agenda Mrs. Milne now of Eagle Lake, but who has lived in the Ungava Bay, Northern Quebec area for a few years, gave us a most enjoyable and interesting talk. This was accompanied by coloured slides showing life among the Eskimo children, their school life, family life, etc.

Nancy's has top float

Hundreds of people lined the streets of Haliburton Village Saturday afternoon to see the Winter Carnival Parade.

The parade featured a number of participants including local merchants and groups.

Nancy's Flowers took the top honors as the best overall float in the parade.

The most humorous float award went to the Bank of Montreal, while Victoria Street School won the award for the most original float.

Scouts from page 3

Northern Quebec that is far more beautiful than many could imagine.

Garnet Graham of Fenelon Falls, a master of magic also provided a great deal of entertainment.

The Scouts are partially sponsored by the Legion and the dinner was held at the Legion Hall.

Nine Scouts and one leader are to be sent from the Haliburton pack to the National Jamboree to be held this summer in Prince Edward Island.

These Scouts were chosen for their Scouting experience to be the ones to attend this Jamboree, the first to be held in 16 years.

All those who give of their time and ideas to help in the Scouting movement were also introduced and warmly thanked at the Banquet. Scouting Group Committee leaders made an appeal for parents to join the Committee and help the organization with their suggestions and input.

The Scouts who will attend the Jamboree are David Elstone, David Bishop, Andrew Hodgson, Steven Dawson, Darcy Poole, Bradnee Chambers, Kevin Barnum, Steven Smith and Norman Barry.

In Hospital

In the Haliburton Red Cross Hospital this week are Mr. Ken Scott, Mrs. Clara Irish, Mrs. Ethel Fader and Mr. Jim Hutchinson.

Both Mr. and Mrs. Milne had taught school in that district. The slides were also a help to those present aiding in a better understanding of the nature of the landscape, methods of transportation, and the work of the people. As Mrs. Milne talked she demonstrated to us the uses of the outdoor costume she wore. Following this entertainment our West Guilford hostesses served us a delicious lunch which was enjoyed by all.

Mr. Bill Johnson is spending the week end at his home by the lake.

A short time ago neighbours and friends gave Pat Limebeer a stork shower at the home of her mother, Mrs. Clarence Redner. Although due to illness or business engagements some were unable to attend, I'm sure Pat must have been thrilled to receive many dainty and useful things her friends had thoughtfully chosen for her special occasion.

Mrs. Sharon Barnhart assisted Mrs. Redner with hostess duties. The best wishes of all of those present, were passed on to Pat for the days ahead.

The Tuesday Night Combines Bowling League staged a progressive Euchre party Feb. 17, in the recreation hall at West Guilford. Most league members from the Maple Lake area attended and report 11 tables were in play. Both high and low prizes were given and also

prizes for lone hands. As usual the evening closed with refreshments being taken care of by our capable committee. Watch for another date for cards later in the Spring. All league members are good sports and are glad of an evening's fun together.

A correction from last week's news:

Mrs. Davies is enjoying a well earned holiday after her knitting for church bales not sales. Thank you.

The Haliburton Area Radio Club held its monthly meeting on February 13th at the High School.

We were pleased to see such a good attendance. At this time members were asked to submit crest designs. As only three designs were handed in, members decided to postpone final judging until the next general meeting which is to be Sunday, March 11th at 1 p.m. Sharp!!

Members please bring in your crest designs.

On February 10th at 8:00 p.m. we held our first Net Call hosted by Mrs. Mary Briggs. A party of 33 monitored in on Ch. 22 discussing many topics. Next NET CALL will be on Friday, March 11th again on Ch. 22 at 9:00 p.m.

A word to everyone in general that tickets are still available for the Benefit dance for one of our fellow members. This event is less than two weeks away. Tickets can be purchased from most club members, for further information contact Mr. Larry Medley at 457-1005 or XM-42-43944. Please remember Ch. 09 is a service to you - don't abuse it.

HALIBURTON IGA MARKET

County sports

BY JIM BADGLEY

The Haliburton Huskies have just made themselves the team to beat in the Central Ontario Junior D playoffs by knocking off Bobcaygeon three games to one in the first round.

In the series with Bobcaygeon, Haliburton didn't resemble the team that played most of the season and from a standpoint of players a few have been added to make the team that much stronger.

Bobcaygeon could have been the team to beat, they were a rough, physical type of team, with little fear of going into the corners with anyone. But the Huskies showed that they were pretty tough as well and didn't back down at anytime against Bobcaygeon.

If the teams had finished a little closer together in the standings the series would never have been in doubt for Haliburton, but in the final game a lot of the 600 people in the arena expected the Huskies' bubble to burst at anytime.

Haliburton could have made a clean sweep of the series with a little bit of luck. Bobcaygeon's only win came at the Dystart Arena after two periods of overtime.

The Lakefield team will be no pushover for Haliburton. Lakefield ended up the season in first place, ahead of Wellington, the team considered the strongest in the league.

Now the Wellington situation is somewhat questionable though. The club hadn't lost to the Huskies all season, but then show up and dropped an 11-4 decision in the final game of the season to Haliburton.

Not to say that Wellington wasn't intending to beat Haliburton in the game, and who is to say that Haliburton, playing as well as they are now wouldn't have won the game, but we would have thought the score would have been closer.

Word has it that Lakefield was hoping to meet the Huskies instead of Bobcaygeon and their wish has come true, but I don't think they will be as happy at the end of the series.

Bobcaygeon, according to a number of people who have seen most of the Huskies' games all season was possibly the team to beat. They have a big strong team that can skate and score goals.

Bobcaygeon was hurting in the series with the Huskies, their big gun Steve Austin, who really was that club's six million dollar man this season, had a bad knee. Another one of that team's sharp shooters, Harold Fitzpatrick wasn't at his best physically either.

Haliburton was playing with more than a full compliment of the team that played most of the season. They have added Tom Curry, who manager Don Lloyd says has been the guiding light in the playoffs, Tim Bain and Ernie Bain who have played some excellent hockey.

The Huskies have also been getting big efforts from the rest of the team.

Huskies upset Bobcaygeon to win opening playoff series

The Haliburton Huskies have advanced to the second round of playoffs after coming up with a strong performance Friday night to down Bobcaygeon three games to one. The Huskies won the final game 5-1.

The Huskies got on the scoresheet first when Dave Leveley connected for an unassisted goal at 8:30 of the first period.

Bobcaygeon came back to even the score at 15:42 of the period on a goal by Dave

Brumwell from Steve Austin.

From the beginning of the second period of the game was all Haliburton's with the hometown club forchecking Bobcaygeon to a standstill. Ernie Bain scored the

eventual winning goal at the 20 second mark of the second period on a play from Tom Curry and Dave Hartwick. Bobcaygeon had a man in the penalty box at the time.

Curry gave Haliburton all the insurance the club would need at 13:24 of the period on a play from Tim Bain. The goal was a powerplay effort by Haliburton.

Two more powerplay goals by Haliburton in the final period put the game well out of reach.

Bernie Nicholls scored first, at the 8:46 mark on a play from Tim Oram and Curry.

Tim Bain netted the second goal of the period at 15:10 with an assist going to Nicholls.

The Huskies will now face Lakefield, the league leaders, in the second round of the playoffs with the first game to be played in Lakefield.

Tri County bantams win 3-2

The Haliburton Tri-County Bantams have locked up their round robin series with Little Britain and Omeme, on the strength of a win over Little Britain last week.

The bantams fell behind 2-0 early in the game with Little Britain but came on to win the contest 3-2.

Little Britain opened the scoring at the 1:15 mark of the first period when Mike Langford connected from Gary Burgess.

The hometown club got its 2-0 lead at 6:19 of the first period on a goal by Blair Tompkins unassisted.

Haliburton came back with less than two minutes to play in the period when Scott Welch scored from Darren MacInnes.

Two second period goals by Dave Dodd were all the Haliburton club needed to come up with the win.

Dodd's first goal came at 2:09 of the period on a play from Marty Robichaud. He scored again, just two minutes later on a pass from Ken Espie.

The club has one more game with Little Britain in the series, but on the strength of six points in three games has looked up first place in the round robin.

COUNTY ECHO SPORTS

Despite the fact that the Haliburton Beaconbrook midgets are now out of the playoffs the club had a very successful season. The midgets finished second in their league, did well at the Temiskaming Midget Tournament and won the consolation championship in the Minden Tim Harrison Memorial Tournament. Standing are Jim Tice (sponsor), Bill Davis (coach), Larry Stinson (trainer), Bernie

Nicholls, Mike Scheffee, Rod Consack, Ed Roberts, Mike Iles, David Sawyer, Dean Potter, Len Salvatori (manager) and Howard Roberts (assistant manager). Kneeling are Scott Barras, Bill Musclow, Dwight Sisson, Chris Roberts, Craig Wood, Andy Salvatori, Kevin O'Hara and Ken Lewis (timekeeper).

Midgets out of playoffs

The Haliburton Beaconbrook Midgets, the most successful team in Haliburton during the regular season find themselves one of the first out of the playoff picture.

The Midgets after holding a 2-1 lead in their best of five series with Beaverton, lost two straight games 3-1 at home Thursday and then 4-3 in overtime in Beaverton Sunday.

Haliburton struck quick against Beaverton in the final game of the series.

Bernie Nicholls scored at the 2:27 mark to give Haliburton an early lead.

Just 2:29 later Mill Musclow scored from Andy Salvatori and Rod Consack to put Haliburton into a 2-0 lead.

Beaverton's Gord Vyse narrowed the gap with 4:46 remaining in the first period on a play from Tom Farrell.

Haliburton regained its two goal lead at the 49 second mark of the second period on a goal by Dean Potter from Dwight Sisson and Mike Scheffee.

Beaverton narrowed the gap to 3-2 with only 2:06 remaining in the middle frame on a goal by Steve Cameron from Dave Gray.

Farrell sent the game into overtime with his third period goal at 2:10 with an assist going to Brad Turner.

Beaverton's Gray gave the hometown club the win at 4:01 of the first overtime with an assist going to Farrell.

There were only four penalties called in the contest with Haliburton taking all of them.

The midgets had a golden opportunity to win the series Thursday night when the two clubs met at the Dystart Arena.

Beaverton got off to a quick start though and never looked back coming up with a 3-1 win.

John Meyers opened the scoring for Beaverton at 5:09 in the first period on a play from Turner.

Farrell made the score 2-0 at 3:14 of the second frame with Gray picking up an assist.

Beaverton went into a 3-0 lead with just 2:05 remaining in the second period on an unassisted goal by Cameron.

Haliburton finally got on the scoresheet at 6:39 of the final period when Consack scored from Nicholls and Scheffee.

A total of 18 penalties were called in the game with 11 going to Beaverton.

NOTICE

IN THE MATTER OF THE MUNICIPAL ACT AND IN THE MATTER OF A PROPOSED BY-LAW OF THE CORPORATION OF THE TOWNSHIP OF STANHOPE TO CLOSE THAT PORTION OF PART OF THE ORIGINAL ALLOWANCE FOR ROAD BETWEEN BROKEN LOT NUMBER 20 AND BROKEN LOT NUMBER 21 IN THE TENTH CONCESSION OF THE TOWNSHIP OF STANHOPE

NOTICE IS HEREBY GIVEN, pursuant to Chapter 284, Section 443 of the Municipal Act, that the Township Council of the Corporation of the Township of Stanhope proposes to consider and if deemed advisable, to pass at its regular meeting to be held at the Council Chambers, R.R. #1, Haliburton, Ontario on Wednesday, March 9, 1977 at 4 p.m., a by-law to close, stop up and convey the following:

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Township of Stanhope, in the Provisional County of Haliburton, in the Province of Ontario, being composed of part of the original road allowance between Broken Lot Number 20 and Broken Lot Number 21 in the Tenth Concession of the said Township, more particularly described as follows:

PREMISING the Western Limit of said Lot 21 in the Tenth Concession to be on an astronomic course of North 20 degrees 51 minutes 40 seconds West and relating all bearings herein thereto;

COMMENCING at a point in the Western Limit of said Lot 21, distant 329.3 feet measured on a course North 20 degrees 51 minutes 40 seconds West thereon from the Southwesterly Angle of said Lot 21;

THENCE continuing on a course North 20 degrees 51 minutes 40 seconds West along the Western limit of said Lot 21, a distance of 470 feet to the intersection of the Western Limit of said Lot 21 with the inner limit of the road allowance along the shore of Little Hawk Lake;

THENCE in a general northwesterly direction following the said inner limit of the road allowance along the shore of Little Hawk Lake to the intersection of the said inner limit of the road allowance with the Eastern Limit of said Lot 20;

THENCE on a course South 20 degrees 51 minutes 40 seconds East along the Eastern Limit of said Lot 20 a distance of 500 feet more or less to a point in the Eastern Limit of said Lot 20, distant 332 feet measured on a course North 20 degrees 51 minutes 40 seconds West thereon from the Southeasterly Angle of said Lot 20;

THENCE North 71 degrees 29 minutes 00 seconds East, 66.05 feet to the POINT OF COMMENCEMENT.

THE PARCEL as herein described is shown outlined in red on a plan and field notes of survey dated January 16th, 1952, signed by Charles P. O'Dale, O.L.S. of record in the Ministry of Natural Resources, Ontario, a duplicate of which plan and field notes is attached to an forms part of this deed of land.

AND TAKE FURTHER NOTICE, that before passing the said By-Law at its meeting to be held at the time and place above mentioned, the Township Council of the Corporation of the Township of Stanhope, shall then and there hear in person or by his Counsel, Solicitor or Agent, any person who claims that his land will be affected by the said by-law and who applies to be heard.

DATED AT STANHOPE this 11th day of February, 1977.

BUSINESS OPPORTUNITY

A MAJOR OIL COMPANY is seeking A FARM PRODUCTS and HEATING OIL DISTRIBUTOR for the LINDSAY MARKETING AREA. This opportunity requires a moderate investment that will produce a better than average income for an ambitious, hardworking individual.

This Oil Company will assist with:

1. A development programme
2. On the job guidance and management support
3. Strong advertising/promotional support.

The ideal person will be a resident of Lindsay with previous oil industry experience or presently employed in a responsible position in an industrial setting. A detailed resume should be forwarded to Box "H", c/o The Haliburton County Echo, Box 360, Haliburton, Ontario, K0M 1S0. Local interviews will be conducted in the near future. All inquiries will be held in confidence.

Mike Scheffee, captain of the Haliburton Beaconbrook Midgets who took the Consolation trophy in the Tim Halliburton Memorial Tournament in Minto on Saturday receives the award from Dick Schell, president of the Minden Rotary who donated the trophy.

3-2 win for bantams second play off game

The Haliburton Bantams took a 2-0 lead in its best of five series with Cannington with a win last Tuesday, Feb. 15, 3-2 in Cannington.

Cannington got on the scoresheet first when Greg Mansholt scored from Steve Nicholson and Allan Fielding at 2:25 of the first period.

An unassisted goal by Haliburton's Butch Manary with only 24 seconds to play in the second period evened the count and eventually sent the game into overtime.

In the overtime period Cannington struck first again. Tom McLachlan was credited with the goal,

unassisted at 1:45.

Haliburton came back at 6:26 when Mike Rae connected from Leonard Hodgson and Roger Hicks.

Hicks gave Haliburton a win with just 45 seconds to play in the first overtime on a play from Hodgson and Dave Nicholls.

Leo McAdam, Bob Pitt and Graeme Barrett of the Burlington teachers accept the trophy as the top team in the one day teachers hockey tournament held Saturday in conjunction with the Haliburton Winter Carnival. The Burlington team showed complete domination of the tournament and won the final game 12-2 over Huntsville.

Bonspiel

The Annual Hiram Walker Spiel held every year as part of the Rotary Winter Carnival wound up Saturday night with a big Dance at the Legion. The trophy and the silver jugs and trays were won by Steve Colliver's rink - with a total of 53 1/4 points and 3 wins. Steve had Karen O'Connor vice-skip, Grant Wallace at second and Suzanne Denman at lead. John and Linda Beachli with a family rink took second prize with 50 points and also 3 wins. Randy Colliver's rink took third only 1/4 less and to complete a pretty good Colliver day. Brent and Bob took the next 2 places with 2 wins and a loss. Keen competition was the order, mixed with several close "family games" - Cecil Bailey taking a 1 point win over last years Champions, Gary Bailey with a family rink of Christine, Clark and Donna.

This Spiel always attracts several former Haliburton curlers who combine a visit to the Carnival and friends with a renewal of association with old curling friends. Former President Derry Wilford and Marg visited and played with Russ and Phyl Woodcock. Jim Scott of Bk. of Montreal and now in Tweed came back - also Jack Starkey and a rink from Gananoque. Jack taught here for several years. A real old home week atmosphere makes this one of the best spiels - it being a 3 game affair, with total points winning the Trophy and good prizes going down the line. Our ladies again excelled themselves with kitchen offerings.

The next big event at our local club will be the OCA Governor Generals play down on March 13. This is a double rink playoff for District 4 honours. Haliburton will be represented by our best 2 men's rinks - yet to be named.

Burlington wins

by Roy Scott

Saturday evening saw Burlington defeat Huntsville 12 to 2 to win the championship trophy of the 1st annual Chalkduster's Old Timers Tournament.

Prior to this game Owen Sound defeated Norwood 6 to 0 to take the consolation trophy. From the reaction of players and spectators attending the games the tournament was a real success. Plans are underway to make next year's tournament bigger and better.

To make this tournament a success required many people volunteering their time and effort. On behalf of the Chalkduster's hockey club I would like to thank all the people who worked the box office, the timekeepers, scorekeepers, announcers and to Bill Martin and his staff of referees who did an excellent job of officiating and to Mr. Gary Brohman for organizing the teams. Also to the Rotary Club who in conjunction with Labatt's, provided the trophies for the winning teams.

The Chalkduster's Club is donating the sum of \$50.00 to the Haliburton Rotary Club to be put into the fund for the Repair of the Community Arena. The remaining money from the tournament, a sum of \$269.00, will be given to the Haliburton Minor Hockey Association.

The Haliburton Beaconbrook Midgets got to sport their new sweaters over the past few weeks. Jim Tice, of the Beaconbrook Hotel, the sponsor of the team, shows the new sweaters to Mike Scheffee, captain of the midgets.

Watch for GRAND OPENING of HOMESTEAD

The Steve Colliver rink took top honors in the Hiram Walker mixed Bonspiel held at the Haliburton Curling Club. Brian Crawford (right), Peterborough District Manager for Hiram Walker presented the

trophy. The Colliver rink consisted of Grant Wallace (second), Karen O'Connor (vice) and Colliver and Suzanne Denman (lead).

Bantams win series

The Haliburton Bantams have advanced past Cannington in playoff action by winning the best of five series 3-0.

In the final game Haliburton had to come behind from a 3-2 deficit at the end of the second period to win 6-4.

Roger Hicks opened the scoring in the game to give Haliburton a 1-0 lead at the 2:43 mark of the first period. Jim Lee and Ken Wyllie assisted on the play.

Mark Prior put the bantams into a 2-0 lead at 7:44 of the first period on a play from Butch Manary.

Cannington finally got on the scoresheet with 28 seconds remaining in the opening period on a goal by Kelly Sims from Dave Winnitory and Greg Mansholt.

The visitors evened the count after only 2:17 of the second period when Wilf Perrault scored from Mike Vanalstyne and Jim McCann.

Cannington went into the 3-2 lead at 9:23 of the middle frame on an unassisted goal by Allan Fielding.

Haliburton started to roll in the final period, scoring four goals in succession.

Mike Rae counted first at 1:29 on a play from Hicks. Rae then scored an unassisted goal just over one minute later to give Haliburton the lead.

Prior scored the eventual winner at 3:50 of the period on a play from Manary.

Hicks recorded the insurance marker with 6:22

remaining in the game with an assist going to Len Hodgson.

Cannington counted once more with just 45 seconds remaining to play when

Vanalstyne scored unassisted.

A total of 42 minutes in penalties were called in the game with 24 going to Haliburton.

Harry Henderson leads afternoon league

Harry Henderson showed the way in the Wednesday Afternoon Bowling League with a 688 (263,222) triple. Audrey Fountain rolled 672 (282,227), Linda Morrison 664 (235, 230), Ev Stata 660 (288, 220), Muriel

Peters 639 (228, 217) and Norma Parish 607 (239, 209). There were a number of singles over 200. Loretta Henderson 237, 205, Alma Stewart 232, Marlene Nimigon 230, 212, Vi Cornish 226, Shirley Hamilton 224,

Art Beatty 220, 202, Fran Woods 219, Wendy Kirk-

patrick 218, Fred Brittain 215, Gerry Pinch 214, Joyce

Griffin 210, Norma Hodgson 208, Ken Sawyer and Rose Brittain 206, and Phyllis MacDuff 201.

The Jets lead the League with 11 points, the Sooners are second with 10 points, Fonzie and Floozies have five each, Flyers have four and Holly Hawks have two.

Shirley Hamilton and Caryl Harrison were presented with their certificates as league winners of the Sunbeam Shoes Hi-Low Doubles Tournament. Zone round of the tournament is to be at Carnarvon Lanes, Feb. 27.

Bunn had 221, 221 and 205 for 647.

Other high triples registered were 633 by Bill Cowan, 622 by Bruce Medcalfe Jr. with 221, 243 and 158, 611 by Bruce Medcalfe Sr., with 238, 179 and 194 and 600 by Art Beatty with 160, 206 and 234.

Vi Smith bowled a good high single of 308, followed at some distance by Verna Smith with 236.

George Jones bowled 216, Ken Piper 223, Eugene Ripley, 221, tied with Jim Foster, 221, Georgina Bolan, 211, Mary Stevenson, 208, Jack Henderson, 204 and Jack Yateman, 201.

Tuesday night combines

The Tuesday Night Combines on Feb. 15 were lead in high triple scoring by Danny Harding, who bowled a triple of 712, with high game of 301, and scores for 216 and 195.

David McKinlay was next in the standings, with 240, 213 and 242 for 695. Marnie

Deb Harding 211 and Loreta Henderson 210.

Hornet's down Ron in bowling action

Harry's Hornets reached the top of the hive by stinging Ron's Rollers for 7 points; Dan's Dynamos let the gas out of Wessex Gassers 4-3 and Ev's Avengers clipped Audrey's Angels wings 5-2.

Wes Stata topped the gang with 733 (290, 265); Fred Cox 730 (270,233); Shannon Patterson 691 (260, 221); Dan Harding 679 (229, 227); Ken Sawyer 677 (256, 234); Ev Stata 656 (243, 217); Harry Henderson 652 (254, 211); Marlene Cook 651 (241, 220); Rick Harding 631 (244, 226); Ronnie Robinson 621 (249, 200); Ed Cox 619 (221, 208); Garth Henderson 602 (244).

Singles over 200 - Grace Downey 264; Ann Everall 240; Barb Fountain 231; Walt Ackerblade 229, 202; Howard Walker 229; Ron Robinson and Audrey Fountain 216; Ab Cox 220, 208;

Trial will go to higher court in Lindsay

Daniel Paul Warburton of RR 1 Minden was before the Minden court on Feb. 15 for a preliminary hearing on two charges following an incident on July 13.

Warburton entered a plea of not guilty to both offences, and indicated that he wished to be tried in a higher court, by judge and jury. His case has been remanded to Lindsay where a date for trial will be set.

After the preliminary hearing, which was held in closed session, a further charge of obstructing justice was laid, by the OPP who considered that Warburton had interfered with wit-

nesses before the preliminary trial.

Warburton was arrested and bail hearing was then held to see if he would be kept in jail. He was taken into custody and released Tuesday evening from Lindsay once two brothers had posted a surety of \$1,000 a piece for his bail.

A condition of the bail is that he is not to communicate with any of the witnesses involved in the case or with their families.

A maximum penalty for conviction on a charge of obstructing justice is 10 years.

Fred Blucher

Inspector speaking at Red Cross meeting

The Minden Red Cross is bringing Chief Inspector Fred Blucher of the Ontario Provincial Police to Minden to speak at the Annual Meeting and dinner, March 7, at the Fireside Restaurant.

Chief Inspector Blucher has a wealth of experience in police and community related affairs, and an opportunity to hear him speak should be a real incentive for anyone in the area to attend the Red Cross dinner.

The Chairman of the Ontario Division Public Relations Committee since 1973, Chief Inspector Blucher has served on the Committee since 1971.

He is the director of the Community Services Branch for the Ontario Provincial Police, and as such, his responsibilities include the Crime Prevention Bureau, Safety Programme, Complaints Bureau and Media Relations.

Born and educated in Toronto, he joined the OPP in 1953 serving at the St. Catharines detachment until his promotion and transfer to General Headquarters in 1964.

He is also a member of the Public Relations Committee for the Royal Canadian Military Institute.

Alan Stott, Minden Red Cross president, promises that Chief Inspector Blucher is an excellent speaker, the Red Cross is very pleased that the Inspector has consented to come to the dinner, and hopes that his presence will mean a lot to everyone who is able to attend.

Get SMART by March 1st. After all, it's your income.

Open a Commerce SMART Home Ownership Savings Plan or a Commerce SMART Retirement Savings Plan, and do it by March 1st.

Because the money you deposit in either or both of these Plans between now and then, is deductible from your taxable income for 1976 within the limits of the Income Tax Act.

At the Commerce, we call that SMART, because you can Save Money And Reduce Taxes.

In fact, you really save twice: once for your future (home or retirement) and again by reducing your taxable income.

While March 1st is certainly

not your last chance to open a SMART Plan (you can open a Plan anytime), it's your last chance to take advantage of its 1976 benefits.

Come talk to us soon. Let us explain how the Plans work, and why they can help you save.

Last year's income may seem past history to you, but it could mean a whole new future.

Betty Harrison of Minden stands with Ernestown assistant captain Doug Greenway, captain Randy Purdy, assistant captain Mike Richards and Norm Harrison after the presentation of the championship trophy to the winning Ernestown team in the Tim Harrison Memorial Tournament in Minden on Saturday.

Local teams' results in hockey tournament

The Minden Walker's Lumber O.M.H.A. Midgets and the Haliburton Beaconbrook Midget team contested the first game of the day at the Tim Harrison Memorial Tournament in Minden Saturday.

Minden's scoring line, made up of Dave Brown, Paul White and Dan Allison got started at 1:32 of the first period. Brown drilled the first goal, with assists going to White and Allison.

Haliburton tied the match at 5:51, as Bernie Nicholls took the puck on a pass from Dwight Sisson to score.

Before the end of the first period, Minden pulled ahead as Brown scored again from White and Allison, at 7:42.

In period two, Haliburton tied again, at 7:33 as Nicholls took an assist on a successful play by Dean Potter.

Minden scored at 9:04 as Brown took the puck from Allison and White and fired it in.

In the third, Allison was the goal getter, assisted by Brown and White.

Minden Midgets are a well-balanced team, even though in the game one line took the lead in the scoring.

Against Ops in their second game, the Minden O.M.H.A. team was victorious by a score of 6-5.

Minden's Terry Harrison began the scoring at 1:26 of the first period assisted by

Dave Brown and Brian Shaw.

Ops took the next three goals, leaving the game 3-1 at the end of the first period.

At 6:03 of the second Minden's Gary Harrison was successful on a scoring play, with an assist going to Brian Shaw.

The score at the end of the second was 3-2, but Ops quickly brought the score to 4-2 as they tucked a shot away just 36 seconds into the third period.

Minden dominated the rest of the game as the team worked to overtake Ops.

Shaw scored unassisted at 4:30, and came back with another fantastic goal just seconds later at 4:45 on an assist from Tim Davies to tie the game, for the first time.

Ops found a shot at 5:42 that placed its mark, but Minden's Tim Davies evened things up once again at 6:32, assists going to Shaw and Gary Harrison.

Minden's winning goal was scored by Shaw with just 1:59 remaining in the game. Shaw was assisted on that, his third goal of the game by Brown and Allison.

The 6-5 win over Ops put the Minden A team in line for the Championship match which they played against Ernestown at the end of the day. They lost that by a narrow 1-0, keeping up the good play that they had throughout the day.

The Haliburton Beaconbrook Midgets took off from their initial loss to Minden at the beginning of the tournament to finish as consolation champions.

They came up against Sunderland in their second match and triumphed by a healthy 5-0.

Bernie Nicholls was the scoring star of the game, scoring all of the goals. There were two first period goals, with assists going to Dwight Sisson at 5:09 and 5:56 and also to Ed Roberts at 5:56 as Nicholls scored twice.

In the second period, Nicholls scored an unassisted goal with just 1:09 gone. At 4:16 of the third period, he took the puck from Sisson for the fourth goal of the game, and scored unassisted again at 4:24 to give Haliburton the final 5-0 lead.

Haliburton moved from that win to the consolation match 6-1 over Peterborough.

Tri-County bantams perform well in hockey tournament

Minden's Tri County Midgets joined O.M.H.A. teams in Saturday's Tim Harrison Memorial Tournament in Minden and made a good showing.

They went into the consolation round after a 6-3 loss to Bobcaygeon in the third game of the tournament.

Minden goals were scored in the second period, after Bobcaygeon had totalled a 5-0 lead.

At 3:10 Ron Yake, playing up for Minden, scored on an unassisted shot. At 4:57, Minden's Kim Hamilton took up an opportunity and scored an unassisted goal.

Minden's third goal getter was Grant Porter, who also scored on an unassisted play at 8:06 of the second.

Bobcaygeon kept Minden out of the net in the third period as in the first and put in a goal of their own at 2:32.

The final score of 6-3 for Bobcaygeon sent Minden to play Peterborough in a close match that ended 3-2 for the Petes.

That game was scoreless until 2:19 of the second, when Peterborough placed their first shot. They scored again as the period drew to a close, leaving Minden behind 2-0.

In the third period, Minden came up with two good goals that evened the score and put the Minden team in a position to take the match.

The first Minden goal was scored by Ron Yake from Scott Arbuthnot and Al Clement at 3:32.

Arbuthnot came ahead at 4:28 to score the tying goal with another assist going to Clement.

Minden did their best to get one more winning goal, but Peterborough got a break with only 1:05 remaining in the game and took the match 3-2.

Peterborough went on to the consolation against Haliburton, having put the Minden Tri County team out of the tournament.

Fine performances by local clubs in tourney

Midget teams from Minden and Haliburton both went into the finals of the Tim Harrison Memorial Tournament in Minden Saturday, with Haliburton taking the consolation championship, and Minden's A

Obstructing peace officer

Steven Lasota, 20, of RR 2 Gormley, has been charged with Obstructing a Peace Officer.

The Minden detachment of the Ontario Provincial Police report that Lasota tried to flee when apprehended by Constable Jim Martin.

team going down by one goal to Ernestown in the championship round.

Ernestown goalie, Wayne Burrows recorded his third shut out of the day against the Minden A team.

Minden's midgets beat Haliburton and Ops to make it to the playoff round, and Ernestown shut out Peterborough and Bobcaygeon to come up against Minden.

The championship game was scoreless until 7:42 of the second period, when Ernestown's Tim Allen scored on a picture play with assists going to Doug Greenway and Mark Latham.

Consolation champions, against Peterborough, the Haliburton Beaconbrook Midgets scored their goal at 1:44 of the first period. Andy Salvatori was the marksman, taking the puck from Chris Hodgson and Rod Consack.

Bernie Nicholls, who played an excellent game for Haliburton, got the first of his three goals of the game at the 3:02 minute mark of the first period. He was assisted by Dwight Sisson.

There was no more scoring until 6:19 of the second

period when Nicholls scored again on an unassisted play that brought the score to 3-0 as he raised the puck behind the Peterborough goalie as he went down.

Peterborough came back less than a minute later to score their only goal of the game at 7:10. Frank Living was assisted on the goal by Wayne Croft.

Haliburton put two more goals in during the second, Andy Salvatori took his second goal of the game at 7:42 assisted by Mike Iles.

Salvatori took an assist on the next goal at 8:06, as Nicholls beat the Peterborough goalie's glove hand on a wrist shot.

Nicholls finished off the game after a scoreless third period by tucking the puck into the net once again with only 17 seconds to go in the game. That final goal was unassisted.

That made Haliburton consolation champions by a score of 6-1.

They lost in the first game of the day to Minden A's and then beat Sunderland to come up against Peterborough to take the Consolation.

Gems of Truth

PRACTICAL LESSONS
Regards the Church
Most everyone is familiar
with the word Church in our
country, yet how few there
are who have a true
Scriptural understanding of
this word. They tell us that
the word comes to us from
the Greek word "ekklesia,"
and literally means "a called
out assembly or body." But
who are these "called out
ones" and where do they
then belong?

Social planning meeting

The Haliburton County Social Planning Council will be discussing the possibility of a new senior citizen centre at the groups Feb. 24 meeting.

The meeting will be held at the United Church in Haliburton.

Guest speaker at the

meeting will be Jim Leworthy, business administrator for the Haliburton Board of Education, who will discuss the education tax structure.

The steering committee for the council in 1977 is Peggie Neville, chairman; George Hardy, secretary; Helen Johnson; Joan Fennell; Edward Christiansen; Marilyn Stouffer; Dave Woodall; Marion Tallman; Frank Waters; Trevor Denny and Lorne Coburn.

The committee will be meeting March 17 as well as the Canadian Legion Hall and a program on child abuse will be shown.

Grant is approved

Leo Bernier, Minister of Natural Resources, announced the approval of a provincial grant of \$9,500 to the Township of Glamorgan for the acquisition and development of an Approved Park.

The park comprises some 1 1/2 acres of land owned by Mrs. Mabel Winder and located on the south shore of

Gooderham (Pine) Lake.

The Municipality now proposes to expand the facilities available and proceed with the construction of picnic and parking facilities.

This grant is made available under The Parks Assistance Act and the Municipality will contribute an amount equal to the grant.

To Give Away

3 month old PUPS to a good Home. Call after 6 p.m. 754-2470.

Investigate 47 general occurrences

Members of the Minden detachment of the Ontario Provincial Police investigated 47 general occurrences and five motor vehicle collisions during the week of Feb. 14 to 20.

There was one person charged with a liquor licence act violation, two charged with impaired driving and nine charged with snowmobile violations.

\$500 damage in single car crash

A single car accident on Highway 121 Friday afternoon resulted in \$500 damage to a vehicle driven by Barbara Hunter, 21, of Haliburton.

She received minimal injuries in the crash and was taken to Haliburton Hospital.

There was \$500 damage to a truck driven by Herbert Holmes, 46, of Dorset when it rolled over on County Road 8, Friday afternoon.

A single vehicle accident sent a Brampton person to Haliburton Hospital with minor injuries Monday, Feb. 14.

Jovan Radicevic, 26, the driver of the vehicle was the person injured. There was \$500 damage to the vehicle. The accident took place on Highway 121.

Snowmobile laws to start March

The new laws for snowmobiles come into effect March 1, 1977 and affect any person under 16 years and any adult who does not have an automobile operators licence.

The new licence is required on public trails and for crossing roads. Snowmobilers who are 14 or over will be able to drive public trails and allowed to cross a road.

Snowmobilers who are 12 and 13 will be able to use public trails, but are not to travel on the highway property.

On March 1, anyone operating a snowmobile on a public trail or along or across a road will be required to produce either an automobile drivers licence or a motorized snow vehicle operators licence.

To obtain the licence you must take a course on snowmobiles from the certified instructors in the area. When you pass the course you take the certificate to the Ministry of Transportation driver examiners who will validate the certificate with a stamp and a sticker.

If you require further information on how to obtain the licence it is suggested you contact someone from the Haliburton County Snowmobile Association.

The New Testament alone gives clear teaching about the relationships and character of this people, and furthermore sets forth sure hope and destiny for the same. Just what does the New Testament teach concerning the Church? It was Jesus who brought this word into usage when He announced that He would build a Church and He called it "My Church" Math. 16:18.

This Church is then later on presented to us under a few different figures and thereby indicates its spiritual relationship. In Ephesians 2:21-22 it is said to be the "Temple of God", being built together for a habitation of God, through the Holy Spirit. Secondly, the Church is referred to as the "Bride of Christ" Ephesians 5:25-32, 2 Cor. 11:2. Then also we find that the Church is spoken of as the "Body of Christ". Romans 12:5. Of the three figures used in Scripture, the one used most frequently is that of the "Body". This fact reveals that the Church is not an "organization" but a living and growing "organism".

That "organism" is alive and is but "One Body". It likewise has but "One Head", and the Lord Jesus Christ is the Head of that "Body". There is only one "Head" and only one "Body". Ephesians 1:22-23.

It is not divided and that teaching is repeated again and again in the New Testament. Christ declared He would build the Church and likewise states that He is the Head of the Church, which is His Body. Math. 16:18, Col. 1:18, Eph. 4:15-16. That He only has one "Body" or "Church" is declared in Romans 12:5, 1 Cor. 10:17, 12:12, 13:20, Eph. 4:4. How we need to learn the truth that the Church is called "One Body" in the Scriptures, and

all the members of the Church are set in that Body. Col. 3:15, 1 Cor. 12:18, Eph. 2:14-16. It is thus that the Church was one Body, with Christ the Head of that Body constitutes "the Christ". 1 Cor. 12:12, Eph. 1:22, 23.

The existence of that true Church in the world is on a two fold level. First, there is the universal world wide body of born-again believers, who collectively are the Church. However, there is also the Church in any given community, even where two or three are gathered together in His name. Math. 18:20. It is thus that the different local assemblies of saints scattered throughout the world are "Biblically" termed "Churches". Scripture makes mention of these when it talks about the Church at Jerusalem, Acts 15:4. The Churches of the Gentiles, Rom. 16:4, the Church at Antioch, Acts 13:1, the Churches of Macedonia, 11 Cor. 8:1, the Churches of Galatia, 1 Cor. 16:1, the Church at Corinth 11 Cor. 1:1, the Churches of Judea, Acts 9:31, or the Churches in Asia, 1 Cor. 16:19. All these were churches or assemblies in local communities and all the members composing them, who were truly born again and saved, belonged to the "One Church of Jesus Christ."

Of this "One Church" there is the relationship of the Head to the members. 1 Cor. 12-13, Eph. 4:15-16. The Lord Jesus is so perfectly one with the Body that He ministers to it continually. Then there is the vital relationship of the members of the Body to the Head. The Body is directed by the Head and receives its every movement by that source, if it functions normally. Again in this One Church there is the relationship of member to member

in the Body of Christ. Not all members have the same duties of ministration, but are ever mutually interdependent. 1 Cor. 12:20-28. When one member suffers the Body suffers, verse 26, or when one member is honored the Body rejoices, verse 26.

How far professing Christianity has drifted from the true Scriptural teaching about the Church is very evident in the loose and unintelligent way the word Church is tossed around and misused. All truly born-again believers are one Body in Christ. Such is the plain teaching of Scripture, but how little it is recognized! What a blessing it would be if all God's people would humbly bow to God's Word and recognize the oneness of the Body of Christ. What would the Holy Spirit be able to do for our day if God's people were delivered from the blight of sectarianism and denominational narrowness and bickering. There can be no doubt in the mind of those who truly seek God's will and God's way, that if practical expression to the unity of the Body of Christ was more manifest, the testimony of the Church would be much more effective and the Lord of the Church would prosper efforts to reach the unsaved.

Is not this the very reason that the Church exists? The lost are to be found and the "Head" must direct that soul-saving task committed to the members of the Body. Quite frequently we sing, "Like a mighty army moves the Church of God", but does it? Judging by appearance, it would seem more like a herd of biting dogs. What a shame! Why not let the Holy Spirit, that great teacher sent from God instruct us anew in the tremendous truths about the Lord and His Church?

Employment Wanted

We, the A3 history students of Haliburton Highlands Secondary School wish to work for you the public, doing odd jobs in order to raise money for our history trip coming up in the spring to visit prehistoric earthmounds and earth works in Ontario. We are willing to work for the minimum wage, if you have any jobs that you would like done. Please phone the school at 457-2950 between 3:05 and 3:30 on any school day and ask to speak to a History Project Ontario Secretary. She or He will take down your job description. Mr. Frank Wallace, our supervisor, will then phone back to discuss with you the details concerning the possibility of having your job completed by us. Please help us... to fulfill our dream of going on our history trip.

Experienced BOOKKEEPER seeks employment in bookkeeping or clerical, failing that, even cashier work. Full or part time. Contact June Sebrins. 457-2234.

Furnished ROOM for rent. \$15.00 weekly. Phone 457-1782, 3 miles out of Haliburton.

Along the Trail

by Roy Bates

**Snowmobile Clubs
Increase Activity**
Browsing through seven
pages of condensed club
newsletters in the Winter
issue of the O.F.S.C. News,

we are impressed by the
many parties and community
events scheduled by snow-
mobilers across Ontario.
More clubs than ever before
are going in for trail

grooming this year and
opening their trails to other
clubs and the general snow-
mobiling public.
Christmas parties for the
children were numerous and
several clubs entered floats
in Santa Claus parades. In
the Fall, work parties to
clear trails in preparation for
the winter's fun were the
rule rather than the excep-
tion, and in January, trips,
cookouts and snowmobile
games were prevalent.
Many clubs have assisted, or
will assist, with Winter
Carnivals, Sno-Dos and
Snowramas. Visits to other

clubs have become popular
and a few cross country trips
have been reported.
The majority of clubs are
participating fully in the
Operator Training Program
with the result that many
thousands of snowmobilers
will be operating their
machines legally when the
new legislation goes into
effect on March 1st of this
year. This is the legislation
that will permit licensed
operators over 14 to cross
public roads and over 12 to
drive on public trails. Most
clubs now have one or more
certified instructors of the

nearly 400 trained in the
Province, and that number
will increase to more than
600 by the end of the year.
It is interesting to note
that despite the long dis-
tance most clubs are looking
forward to attending the
Annual OFSC Convention
which will be held in Sault
Ste. Marie this year on April
1st, 2nd and 3rd. Any
member of any federated
club is eligible to attend and
those who wish to go should
be making their preparations
now for reservations and
registrations must be in by
March 25th.

Scott gets program extended

Victoria-Haliburton MP
William Scott has been
successful in getting the
Canada and Young Canada
Works Program extended.
The programs were advanced
to Feb. 11 and 18.
To date \$146,000 has been
allocated to the riding for
the projects.

Fined \$250 and sent to jail

Larry Joseph Petrie of
Wasaga Beach was fined a
total of \$250 and sentenced
Feb. 15 to 21 days in jail on
counts of impaired driving,
failing to give a breath
sample and failure to appear
in court.

The offence occurred on
Nov. 1, 1975 in Minden,
when Petrie was approached
by an OPP officer to ask for
information and was advised
not to drive because of his
impaired condition.

Shortly after, he was
found driving and was taken
to the OPP detachment for
breathalyzer tests. He refused
to give a breath sample.
Physical tests administered
at the time showed signs of
impairment.

The case was adjourned a
number of times since that
date, at the request of the
accused and in spite of the
several dates for trial that
were set. On Dec. 2, 1976 he
failed to appear in Minden
until court was over and was
charged with failure to
appear.

He told the court that he
had trouble arriving on time
since he came from some
distance.

He pleaded guilty to the
charge of impaired driving
and guilty with a reason to
refusing to give a sample.

He was given 21 days for
a second offence for im-
paired driving, which he will
serve intermittently in Col-
lingwood. A fine of \$150 was
set for failure to give a
breath sample and \$100 for
failing to appear.

Three month sentence

Peter Robertson of Whitby
was sentenced to three
months in a correctional
institution on Feb. 15 for
possession of marijuana for
the purpose of trafficking.

He was searched Sept. 26,
1976 by an Opp officer on
routine patrol in Haliburton.
He was lying on a knapsack
in the parking lot of a lodge,
police information stated,
of what was alleged to be 19
bags of marijuana were
found in his pack when it
was searched.

There were a number of
previous convictions for pos-
session of the narcotic.
Judge Ian Munro called for a
three month sentence be-
cause of the quantity involv-
ed.
